

## February/March 2010 Needs List

Our most pressing needs are always financial; paying our staff salaries is by far our largest expense! However, we do occasionally need items that are hard to obtain locally and we depend on our supporters to help supply these. If you or someone you know is travelling to China in the near future and can help us carry over any of these please do let us know. We can arrange to meet travelers at the Beijing Airport to pass off donations, or can send you our local mailing address if you wish to send from another major Chinese city.

Although we welcome packages sent internationally, the cost of shipping and the hassles of clearing customs make this a less convenient option. If you wish to send a package internationally please contact us for details on filling the customs form correctly and which shipping address to use.

Our current needs are:

- Premie size diapers – larger preemies can use the regular Pampers or Huggies brand.
- Premie size diapers – smaller preemies need hospital supply brands for 2 to 4 lbs.
- Infant multivitamins with iron – we like Poly Vi Sol with iron (or generic equivalent)
- Zinc tablets (any strength or brand)
- Stretch gauze bandages (disposable, sterile, not the ACE bandage type)
- BSN Jobst medical cover-roll stretch medical tape (any width roll)
- Non-adherent sterile dressings
- Size 5 fr feeding tubes
- Size 8 fr feeding tubes
- Infant/Neonatal/Premie size oxygen cannulas
- Premie size soft cotton hats, shirts and sleepers
- Gerber newborn latex feeding nipples (we prefer latex as these are smaller than the silicone type)
- Pulmicort (.25 or .5 mg, Rx only)
- Nonin brand (or compatible) oximeter sensors (neonatal and infant sizes)

Please contact us to arrange an airport pick-up in Beijing, or for our Beijing mailing address. **Please do NOT mail donations to the PO Box in Nebraska, as we are not able to ship items over ourselves.** Thank you for your prayers and support!
